

Habits of Mind

*THOUGHTFULNESS = TOOLS OF THOUGHT USED
HABITUALLY*

- What is it I think I know? (Or that the author thinks she knows?)
- How do I know what I know?
- How do I know *that* I know?
- What is the evidence? What does the author claim? Is it credible?
- Whose viewpoint is this?
- How is it connected to other things?
- How else may it be connected? Can I find an example in the text?
- What difference does it make? So what?
- Is it true? Why do I think so (or not)?
- What if...?
