

# IN THE MIND OF AN ECONOMIC THEORIST

## ALTERNATIVE ACTIVITY

### TASK:

- Select an economic theorist from the 18<sup>th</sup> and 19<sup>th</sup> centuries.
  - Examples: Adam Smith, Thomas Malthus, David Ricardo, Jeremy Bentham, Robert Owen, Saint-Simon, Louis Blanc, Friedrich Engels, Karl Marx,
- Create a 3-dimensional head representing the economic theorist you have chosen to research.
  - Hobby Lobby has a limited number of Styrofoam heads and/or modeling clay to accomplish this.
- Fill in the cranial space with at least 5 images that reflect the fundamental ideas of that theorist.
- Write the corresponding statements that identifies the visuals below these instructions.
- Be prepared to discuss your drawings in class.

---

### Visual Elements Key: (Express what you drew and why it is relevant.)
