**PART 3:** If you scored less than **16/20** on this section, you need to do the following essay make up.

**Task:** Use the table to compare the influences of each major market system that arose in response to industrialization. (See your venn diagram, my online industrial revolution notes ([www.worldhistory10.com](http://www.worldhistory10.com)) or Kagan pages 757-764)

<b>Market Systems of the Modern World</b>	<i>Laissez-faire Capitalism</i>	<i>Socialism</i>	<i>Marxism (Communism)</i>
<b>Who was influential in defining this market system? When?</b>			
<b>What were the defining characteristics? (How did it work?)</b>			
<b>How did it contribute to or propose to fix the poor conditions faced by the working class?</b>			
<b>How successful was this market system in gaining followers? (who was most likely to embrace its ideas?)</b>
