

World War II Notetaking Assignment

Task: Create a sequence of events as you read in a flowchart format. Be sure to note and describe the key terms and use the focus question to guide your sequence of events. PICTURES are not needed...but detail is. Pay close attention to key terms and seamlessly include them in your flowchart.

While you will be assigned one of these sections to become an expert on, you need to read each of the sections and you will be accountable for all the information therein.

1. **“From Appeasement to War”** p. 562-567. What events unfolded between Chamberlain’s declaration of “peace for our time” and the outbreak of a world war?
2. **“The Axis Advances”** p. 568-576 What regions were attacked and occupied by the Axis powers, and what was life like under their occupation?
3. **“The Allies Turn the Tide”** p. 577-583 How did the Allies begin to push back the Axis powers?
4. **“Victory in Europe and the Pacific”** p. 586-589 How did the Allies finally defeat the Axis powers?
5. **“The End of World War II”** p. 590-594. What issues arose in the aftermath of World War II and how did new tensions develop?

Presentations on Friday! (You’ll get 10 minutes to finish up on Friday.)
